LOCATION

PACKAGE ONE

I recommend choosing a versatile location. A place where we can shoot one outfit in the park and another out on the streets! That way we are effective with our time and allows you to get more bang for your buck!

PACKAGE TWO

The locations should be versatile as well as be no more than 15 minutes of each other. If they are more than 15 minutes apart, like Downtown Houston to Galveston, there would be a travel fee of \$20.

FURTHERMORE, you are in charge of choosing your location! I can make any recommendations if needed! Regardless of what location, I will do my very best to make the shoot however you would like it.

HOW WILL I RECEIVE MY FILES?

All clients will receive their files via wetransfer. It's a super easy & free email service. You can quickly download the images and print out, send to friends, and even post online!

Download links will expire after two weeks. Please make sure you save and back up your own images ASAP. I clean out all my files and cannot guarantee that I will backup the images for you.

If you have any type of trouble downloading the images, please contact me through email.

BOOKING YOUR SESSION

I require a 50% non-refundable deposit via Venmo to secure your session's date and time.

What happens if you need to cancel/terrible weather/sickness?

If this is the case, you can put your deposit towards a re-schedule or you can have it refunded. However, if you don't cancel at least 3 days ahead of your session date or don't show up to your session, the deposit will not be refunded.

The purpose of the deposit is to lock in your date and time.

If you cancel last minute, I could have booked someone else during that period. Only after I have received your deposit, that is when your session date and time is set. Nothing is booked until deposit has been paid. The other half of the deposit is due the morning of your session via venmo.
