HOW WILL I RECEIVE MY FILES?

All clients will receive their files via wetransfer. It's a super easy & free email service. You can quickly download the images and print out, send to friends, and even post online!

Download links will expire after two weeks. Please make sure you save and back up your own images ASAP. I clean out all my files and cannot guarantee that I will backup the images for you.

If you have any type of trouble downloading the images, please contact me through email.

BOOKING YOUR SESSION

I require a 50% non-refundable deposit via Venmo to secure your session's date and time.

What happens if you need to cancel/terrible weather/ sickness?

If this is the case, you can put your deposit towards a re-schedule or you can have it refunded. However, if you don't cancel at least 3 days ahead of your session date or don't show up to your session, the deposit will not be refunded.

The purpose of the deposit is to lock in your date and time.

If you cancel last minute, I could have booked someone else during that period. Only after I have received your deposit, that is when your session date and time is set. Nothing is booked until deposit has been paid. You could pay this when we meet for our consultation before the shoot. That way we can get to know each other and have the shoot run as smoothly as possible. The other half of the deposit is due the morning of your session via venmo.

Now that you know everything,
LET'S SHOOT
